And the explanations of the District Educational Officers concerned have been called for. A further reference will be made after their explanations are received.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,

Bangalore, dated 26th October, 1933.

27 OCT. 1933

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,
BANGALORE.

The Secretary,

Central Recruitment Board,

Bangalore.

SIR,

With reference to your letter No. 7245/C.R.B. dated 14th June 1933 calling for reasons for the fall in the number of non-brahmins in the Executive Establishment for the half year ending 30th June 1932 when compared with that of the previous half year and subsequent reminders thereon, I have the honor to state that the number of non-brahmins in the Executive Establishment for the half year ending June 1932 has decreased in each of the Districts as shown below as compared with the number on 31st December 1931:-

	December 1931.	*June 1932*
1. Bangalore District.	*698*	*672*
2. Shimoga District.	*631*	*615*
3. Hassan District.	*407*	*388*
4. Chitaldrug District.	*668*	*661*
5. Tumkur District.	*637*	*595*

And on close investigation of the reports received from the Deputy Directors of Public Instruction, it is found that the increase of brahmins is purely temporary and caused by the appointment of brahmin applicants

P.T.O.

in connection with short term leave vacancies and in vacancies under advertisement as such candidates ~~as~~ were readily available. It has ~~be~~ since been ordered by Government that only non-brahmins candidates should be employed in special vacancies even pending advertisement. This procedure is being followed now.

P
G.O. No 5828-5927
C.R.B 38-32-187
17-4-1933.

Again in some cases the fall is due to the fact that the number of vacancies unfilled during the half year ending 30th June 1932 was comparatively large. For instance in Shimoga during the half year ending with 31st December 1931 there were only 38 vacancies not filled up. But during the half year ending 30th June 1932 there were 58 vacancies not filled up.

I am however of opinion that seeing that the Central Recruitment Board rules are being strictly followed and a number of candidates (hundreds) belonging to backward communities are being appointed every year as judged by the copies of 'B' statements received in this office, the fall in the percentage is only apparent and is due to the causes referred to above. I may assure the Central Recruitment Board that strict instructions have been issued to all Departmental Officers to follow the Central Recruitment Board Rules both in letter and in spirit and I am satisfied that they are being strictly followed except in rare cases of oversight and circumstances when sanction of Government is being invariably obtained.

I have the honor to be,

Sir,

Your most obedient servant,

FOR DIRECTOR.

ages of appointment non-Brahmin shown in the 'C' statement

Reasons for the decrease in the no. or percentage of non-Brahmin when compared with that of the previous half year.

The no of vacancies unfilled during the half year ending 30th June is comparatively large. Also some Brahmin were appointed in purely short term vacancies & in vacancies under advertisement as such lists were readily available. The D. P. I has issued strict instructions to all subordinate officers to follow the C. R. B rules both in letter & in spirit & he feels that they are being strictly followed except in rare cases when sanction of Govt is being obtained.

Sudra candidate who had been classed under ministerial Establishment the previous half year has been classed under executive staff. Ekkaliga candidate was appointed in an acting vacancy during previous half year. The acting arrangement ceased due to return of the permanent incumbent.

This Brahmin official was transferred to the public Works Department by order of the Chief Engineer & a Brahmin official was sent up his place.

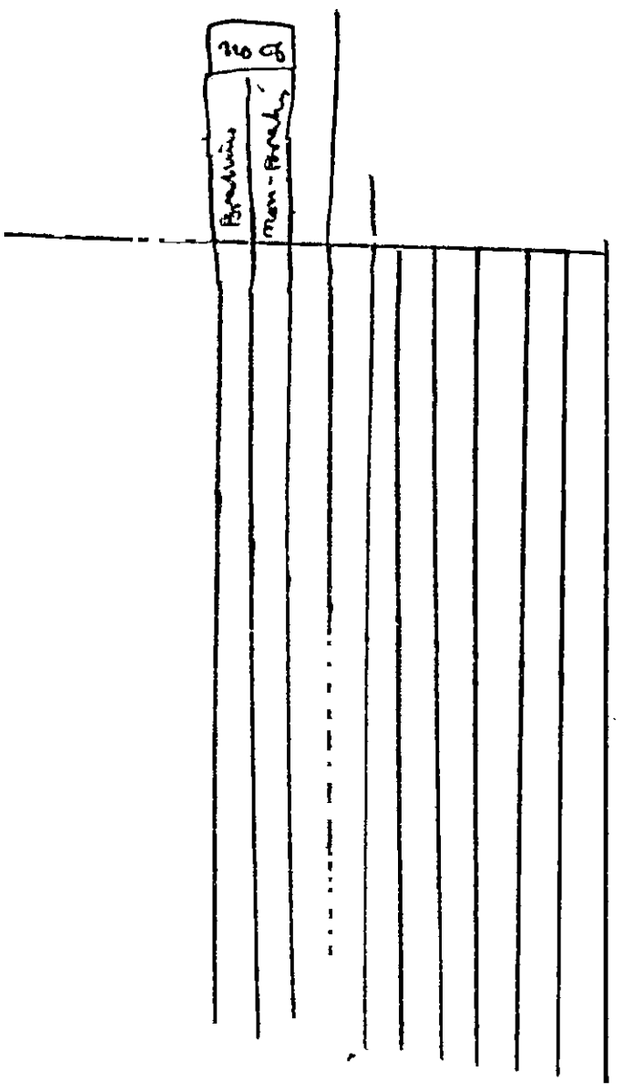
During the previous half year, the statement-ed the figures relating to appointments carrying a pay of Rs only while all non-Gazetted officers irrespective of their pay taken into account for the calculation of figures shown in statement for the half year ending 30th June 1932. This counts for the increase in the total appointments.

7/11/32

Secy to GOI

Reasons furnished by certain officers for the decrease in the no or percentage of non-Brahmins during the half year ending 30th June 1932 when compared with that of the previous half year.

Letter no L. 3912 - 13 & 33-34
dt 27-10-1933 from the D.P.I.



The fall in the no of non-Brahmins in the Executive Establishment for the half year ending 30th June 1932 when compared with that of the previous half year, as shown in the margin, is due to the reasons noted below.

1) The increase of Brahmins is purely temporary and is due to their appointment short term leave vacancies and in vacancies under advertisement as such candidates were readily available.

It has since been ordered that only non-Brahmin Candidates should be employed in special vacancies.

2) The fall in no of non-Brahmins is due to the no of vacancies unfilled during the half year ending 30th June 1932; was comparatively large.

The D.P.I. has assured that strict

instructions have been issued to all Departmental offices to follow the C.R.B rules both in letter & in spirit and he feels satisfied that they are being strictly followed except in rare cases when sanction of Govt is being invariably obtained.

Letter no 88217 dt 16-6-1933. from the Chief Electrical Engineer

The fall in percentage of the Non-Brahmins in the Executive Establishment is due to the inclusion of all non-gazetted officers irrespective of the pay as was pointed out by the Secy while the previous statement contained the appointments carrying a pay of Rs 125 only. This only accounted for the increase in the total appointments from 110 to 197.

Letter no G.S. 2058 dt 24-6-1933 from the President City Municipal Council Mysore.

The fall in no. and percentage of non-Brahmins the ministerial Establishment

is due to the reasons noted below :-

1) One Yadava Hindu candidate has been classed under executive staff.

2) One Vokkaliga candidate who was ~~working during the~~ acting ~~vacancy half year~~ appointed in an ~~acting~~ vacancy during the previous half year. The acting arrangements began during the last year under report.

NON-GAZETTED APPOINTMENTS OF THE SUPERIOR SERVICE HELD BY DIFFERENT COMMUNITIES IN THE ELECL.,DEPT.

With reference to your letter No.7243/C.R.B. dated the 14th June 1933 enquiring the reasons for the fall in percentage of Non-Brahmins in the Executive Establishment when compared with that of the previous half year, I have the honor to state that it is due to the inclusion of all Non-gazetted officers irrespective of the pay as required in your letter No.2963/C.R.B. dated 10th November 1932 while the previous statement contained the appointments carrying a pay of - Rs125/- only. This accounts also for the abnormal increase in the total appointments from 110 to 197.

I have the honor to be,

PRESIDENT, CITY MUNICIPAL COUNCIL,

The Secretary,

Central Recruitment Board,

Public Offices,

Bangalore.

SIR,

With reference to your letter No.7244/C.R.B dated 14th June 1933, regarding the fall in number and percentage of Non-Brahmins in the Ministerial Establishment as compared with the statement for the half year ending 31-12-1931, I have the honour to forward herewith an explanatory note showing reasons for the variation in figures referred to above.

I have the honour to be,

Sir,

Your most obedient servant,

President.

PVR.

Ref:- "C" Statement of ~~Municipal~~ Ministerial Staff regarding men actually holding posts including temporary appointments of more than 3 months duration for the half year ending 30-6-1932"

Explanatory Note on the above for the variation in figures as compared with the previous half year.

Item 3. Yadavas:- The No: is less by one in the current (30.6.1932) half year's statement on account of the incumbent being classed under executive staff, Vide item No.3 - Executive Staff which is more by one.

Item 11. Vokkaligas:- One Vokkaliga candidate was appointed in an acting vacancy under Ministerial staff - hence the No: was raised by one in the previous half year. Since the acting arrangement ceased, subsequently the candidate was thrownout and consequently the No: in the half year's statement (ending 30-6-1932,) under "Vokkaliga's is less by one.

Item 15. Christians:- A Christain official under Ministerial Staff was transferred to the P.W.Department under the orders of the Chief Engineer and a Brahmin official was sent to fill up his place. Hence the No: under this head in the current half (30-6-32) year's statement is less by one.

5138.	10005	49	51	The number of vacancies unfilled during the half year ending 30th June 1932 was comparatively large. Also some Brahmins were appointed in purely short term vacancies and in vacancies under advertisement as such candidates were readily available. The Director of Public Instruction has issued strict instructions to all departmental officer to follow the C.R.B. rules both in letter and in spirit and he feels satisfied that they are being strictly followed except in rare cases when sanction of Government is being obtained.
8	36	76	24	One Yadava candidate who had been classed under ministerial Establishment during the previous half year has been classed under executive staff. One Vokkaliga candidate was appointed in an acting vacancy during the previous half year. The acting arrangements ceased due to return of the permanent incumbent. A Christain official was transferred to the Public Works Department under the orders of the Chief Engineer and a Brahmin official was sent to fill up his place.
69	124	44	56	During the previous half year, the statement contained the figures relating to appointments carrying a pay of Rs.125 only while all non-gazetted Officers irrespective of their pay were taken into account for the calculation of figures in the "C" statement for the half year ending 30th June 1932. This only accounts for the increase in the total appointments.
